### **PROFESSIONAL SUMMARY**

I am a driver with great deal of experience who wishes to meet and exceed even the most demanding of requirements. I have the ability to learn on the fly and to adapt to different scenarios. I am familiar with many areas of Kenya and am happy to take on more responsibilities of the company may see fit. I boost the ability to drive both standard and automatic vehicles. I also bring personality to the position; idea for establishing a support with all passengers.

However, also that discretion is advisable under certain circumstances. I am also trained in regards to Intensive Defensive driving course bringing further air of safety to any mobility. I enjoy working as part of a team and yet am fully motivated to approach tasks alone. I hope that any professional car driving firm should boost a sense of cohesion and I hope to encounter search a role in the very near future. Through these sense mutual respect, I will provide necessarily such skills in your firm. I am eager to embark upon new challenges within these exciting industry and firmly believe that a sense of personal achievement is only possible through such an approach.
