## TO WHOM IT MAY CONCERN

Dear Sir/ Madam,

I am writing to express my interest in the position of **Excavator/Plant Operator/Forklift Operator** at your organization. With over **30 years of hands-on experience** operating a wide range of heavy machinery and equipment across different companies and industries, I have developed the technical expertise, safety awareness, and reliability necessary to contribute effectively to your operations.

Throughout my career, I have successfully operated excavators, forklifts, and various plant machinery in construction sites, warehouses, airports, and industrial environments. I am highly skilled in:

- Safely and efficiently operating heavy equipment to support construction, loading, and material handling activities.
- Conducting daily inspections, preventive maintenance, and reporting equipment faults to minimize downtime.
- Adhering strictly to **health, safety, and environmental standards** to ensure compliance with workplace regulations.
- Collaborating with team members, supervisors, and site managers to meet deadlines and deliver high-quality results.

My extensive experience across various companies has enabled me to adapt quickly to different work environments, equipment models, and operational procedures. I take pride in being a dependable professional with a strong work ethic and the ability to remain calm and focused under pressure.

I am confident that my background and commitment to safety and efficiency will make me a valuable addition to your team. I would welcome the opportunity to bring my knowledge and skills to your company and contribute to the success of your operations.

Thank you for considering my application. I look forward to the opportunity to discuss how my experience can align with your company's needs.

Yours sincerely,

Harrison Muturi Kariuki
