OBJECTIVES

To enhance and promote interpersonal relationship in an organization, able to offer the best services in order to achieve short-term and long term goals for the growth of the school, teaching as well as other staff.

PERSONAL PROFILE

I am a dedicated, organized and methodical individual. I have good interpersonal skills, excellent team player and am also keen and very willing to learn and develop new skills. I believe I am proficient at leveraging superior analytical thinking skills to prioritize tasks, identify technical issues and provide timely resolutions.

WORK EXPERIENCES

JANURY 2025 – DATE: TEACHER AND SPECIAL NEEDS ASSESSOR AT HEKIMA INTERGRATED SCHOOL KISUMU

- Conducting both home and school visits to check on the progress and implementation of recommendations made during educational assessment process of students with different categories of special needs and disabilities.
- Identification, assessment, and pycho-social support for students with diverse special educational needs.
- Engaged in a variety of activities, including direct observation, interviewing of both care givers, assessment of learners using different assessment tools, data collection, recording, analysis and interpret aiming at making quantifiable value judgement based on assessment report.
- **Conducting Student Observations:** I have been participating in structured observation sessions with several students exhibiting a variety of learning needs, including ADHD, autism spectrum disorder (ASD), dyslexia, and intellectual disabilities, dysgraphia, dyscalculia, speech disorder, emotional and behavioral disorder, Asperger’s condition, cerebral palsy, down syndrome, physical impairment (monoplehia,guadriplegia,tetraplegia,paraplegia,tri-plegia,amputee,muscular degeneration, hydrocephalus), visual impairment, hearing impairment among OHI
- **Administering Standardized Assessments:** I am in a position to administer several standardized diagnostic tools (e.g., WISC-V, Vineland Adaptive Behavior Scales, and academic achievement tests) to assess cognitive and academic performance.

➤ **Behavioral and Functional Assessments:** I from time to time engages in functional behavioral assessments (FBAs) for students exhibiting challenging behaviors and worked alongside behavior specialists to collect data and develop behavior intervention plans (BIPs).

➤ **Data Analysis and Report Writing:** After conducting assessments, I am also in a position and responsible for analyzing the data and compiling the findings into clear, concise reports that would be used for individualized educational planning (IEP) meetings.

➤ **Collaboration with Teachers and Specialists:** I embrace team working with other educational stakeholders to realize the institution set goals. I constantly engage in team meetings and discussions with teachers, counselors, and other specialists to interpret findings and determine the best course of action for student support.
