Dear Sir/Madam,

RE: Application for registered clinical nursing position

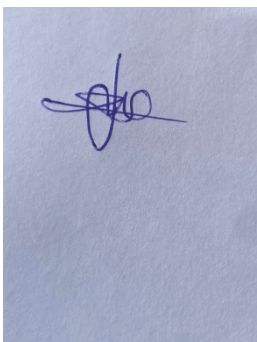

Concerning the above reference, I am writing to express my interest in nursing position in your facility, with a solid background in nursing, I'm committed to patient care and proven track record of leadership.

I am a Kenyan citizen of Id no. 39377861, aged 23 years I am nurse by profession. I am a diploma holder (Kenya registered community health nurse). I'm committed to building meaningful relationship with patient to deliver the care they need. I believe my patient's advocacy and interpersonal communication skills make me a qualified fit for this role. I've worked at hospital setting in different facilities, managing heavy caseload and prioritizing exceptional patient's care, therefore possess experience in various clinical settings, I have developed a comprehensive skill set that encompasses patient assessment, treatment planning and medical administration. My dedication to delivering compassionate and high quality patient care has been recognized by both patient and colleague. Given a chance I will bring my expertise and enthusiasm for healthcare to your facility. I'm confident that my dedication to patient-centered care, leadership skills and clinical knowledge align well with your organization's values and goals. I believe employment with your hospital would be mutually beneficial as I'm seeking a challenging work environment where I can use and develop my skills to the fullest extent. I have attached my curriculum vitae and academic credential for review.

I'm looking for positive consideration and communication from you.

Thank you.

Yours faithfully,

Abdikalid Hajj Adan .
