P.O. Box 103 – 90129, Ngwata

■ 0768 604 653 |  [albanusmutinda2002@gmail.com](mailto:albanusmutinda2002@gmail.com)

## Career Objective

Motivated and detail-oriented agriculture professional with a **Diploma in General Agriculture**. Skilled in crop and livestock management, farmer training, and agricultural extension services. Seeking to apply hands-on experience and academic knowledge to enhance productivity, sustainability, and innovation in the agricultural sector. Dedicated to driving rural development, improving food security, and contributing to national economic growth.

## Key Competencies

- Strong teamwork, communication, and leadership skills
- Critical thinking and problem-solving ability
- Excellent planning, organizing, and reporting skills
- Ability to work independently with minimal supervision
- Knowledge of modern farming techniques, agronomy, and capacity building

## Education

**Masinde Muliro University of Science & Technology** | Sept 2020 – May 2023

Diploma in General Agriculture

**Kamulalani Secondary School** | 2016 – 2019

Kenya Certificate of Secondary Education (KCSE) – Mean Grade: C (Plain)

## Work Experience

### Volunteer (Agricultural Training Centre)

Machakos County, Ministry of Agriculture (Crops) | Jan 2025 – Apr 2025

- Mobilized and sensitized farmers on forming cooperative groups for collective farming.
- Provided guidance on agronomic practices including crop rotation, pest management, irrigation, and soil conservation.
- Supported capacity-building programs by training farmer groups on modern agricultural technologies.
- Conducted follow-up visits to ensure proper application of training and successful adoption of new farming techniques.
- Compiled monthly progress reports and provided feedback for program improvement.

### Intern (Ministry of Agriculture, Livestock & Fisheries)

Machakos County | Sept 2023 – Dec 2023

- Participated in planting, maintenance, and monitoring of crops in demonstration fields.
- Managed seedlings from planting to distribution, including pest and soil management.
- Assisted in preparing training materials for farmer sensitization programs.
- Collected and analyzed farmer data under the **National Agricultural Value Chain Development Project (NAVCDP)**.
- Supported agricultural officers in project monitoring, evaluation, and reporting.

### Volunteer (Ministry of Agriculture)

Kitui County | May 2022 – Aug 2022

- Conducted seedling treatment and distribution to farmers.
- Assisted in livestock management including feeding, health checks, and hygiene.
- Collected research data on crop performance and livestock health.
- Trained farmers on basic crop and livestock management practices.
