

PHINEAS KINYUA

Tel: +254 72092040 | **Email:** kinzken2016@gmail.com | **Address:** P.O. BOX 584-60600, Maua

PROFESSIONAL SUMMARY

Results-driven civil engineering professional with a strong background in site supervision, project execution, construction management, and quality control. Skilled in interpreting structural drawings, managing on-site operations, coordinating subcontractors, and ensuring adherence to safety and engineering standards. Experienced in material estimation, cost management, and site inspections, with proven ability to deliver projects on time and within budget. Demonstrates strong problem-solving skills, effective communication, and the capacity to manage multiple construction tasks while ensuring compliance, efficiency, and excellence in project delivery.

SKILLS

Site Supervision | Construction Management | Project Execution | Structural Drawings Interpretation | Quality Control | Material Estimation | Cost Management | Site Inspections | Safety Compliance | Surveying | Concrete Works | Reinforcement Detailing | AutoCAD | Civil 3D | MS Project

CAREER STRENGTHS

- **Analytical Thinking & Problem-Solving:** Identifies construction challenges, evaluates project requirements, and implements effective engineering solutions to ensure project success.
- **Critical Thinking & Decision-Making:** Assesses site conditions and technical data to make sound, timely decisions aligned with safety and project objectives.
- **Team Collaboration & Leadership Skills:** Works collaboratively with contractors, consultants, and project teams while providing guidance to ensure smooth site operations.
- **Communication & Interpersonal Skills:** Engages effectively with stakeholders, colleagues, and management to convey technical information clearly and resolve issues professionally.
- **Time Management & Multitasking:** Efficiently manages multiple site tasks and priorities, ensuring deadlines and quality standards are consistently met.

PROFESSIONAL EXPERIENCE

Site Engineer | Dec 2023-July 2025
PARKLANE Construction Company

Key Contributions

- Supervised daily construction works by coordinating with teams and applying project specifications, which ensured consistent progress and compliance with standards.
- Reviewed drawings and guided workers on technical tasks, leading to accurate implementation of design requirements.
- Monitored site activities through inspections and reporting, resulting in improved organization and timely project updates.
- Supported procurement by verifying material needs against project requirements, which reduced delays on site.

Site Supervisor | May 2021 – Dec 2021
Emissions Limited

Key Contributions

- Oversaw site operations by organizing teams and following project schedules, which maintained steady workflow.
- Conducted daily checks on workmanship and materials, helping to achieve required quality standards.
- Coordinated safety practices by reinforcing company guidelines, which minimized site incidents.

- Assisted in progress reporting through documentation and communication with engineers, ensuring transparency in project delivery.

Site Supervisor | Jan 2021 – Apr 2021

Wama Construction Company

Key Contributions

- Supervised construction crews by assigning tasks according to work plans, resulting in efficient use of labor and time.
- Monitored material usage and verified alignment with specifications, ensuring consistency with project requirements.
- Maintained site records and shared updates with management, which supported timely decision-making.
- Encouraged proper housekeeping on site, contributing to a safer and more organized working environment.

Civil Engineering Attaché | Feb 2020 – Aug 2020

Wama Construction Company

Key Contributions

- Assisted engineers with surveying and setting out by following instructions and using basic instruments, which improved site accuracy.
- Observed and participated in quality control processes, contributing to better understanding of concrete and reinforcement works.
- Prepared supporting documentation under supervision, ensuring project records were well maintained.
- Gained exposure to practical site management practices, enhancing technical and professional growth.

IT Support & Cyber Café Assistant | Dec 2017 – Aug 2018

Damka Technologies Cyber Café

Key Contributions

- Supported clients with document preparation by operating office software and equipment, which improved service delivery.
- Provided troubleshooting for basic technical issues, resulting in smoother daily operations.
- Maintained transaction records by updating sales logs, ensuring accountability and accuracy.
- Organized equipment and workspace, contributing to a reliable and user-friendly service environment.

EDUCATION

Diploma in Civil Engineering (pass) - Kabete National Polytechnic | 2018 – 2021

Kenya Certificate of Secondary Education (C Plain) - Nturuba Secondary School | 2014 – 2017

LANGUAGES

-
- English – Proficient
 - Swahili – Proficient
