Career Objective: To secure an entry-level Health and Safety Officer position where I can utilize my educational qualifications from Leaders Training Centre and Moi University. I aim to contribute to a dynamic career in the HSE field by continually improving the work environment through innovative ideas and methods, and by providing suggestions on monitoring HSE matters to achieve zero accident targets.

Skills:

- ✓ Risk Assessment: Identifying and evaluating potential workplace hazards.
- ✓ Computer Proficiency: Advanced skills in Microsoft Office Suite (Word, Excel, Access, PowerPoint) and Windows (2008-2011).
- ✓ Leadership: Leading safety initiatives and influencing adherence to safety protocols.
- ✓ Communication: Strong verbal and written communication skills for effective information dissemination.
- ✓ Training and Development: Conducting training sessions on health and safety practices.
- ✓ Knowledge of Safety Regulations: Understanding relevant health and safety laws and best practices.
- ✓ Problem Solving: Developing solutions to mitigate risks and handle safety issues.
