PROFESSIONAL PROFILE

A dedicated and self-driven Development Studies graduate with a specialization in Project Management and Planning from the Management University of Africa. Possesses hands-on experience in strategy and planning through an internship at the Rural Electrification and Renewable Energy Corporation (REREC). Demonstrates strong analytical, communication, and teamwork skills, with a strong interest in contributing to impactful community and organizational development initiatives.

CAREER OBJECTIVE

To gain practical experience through an internship or entry-level opportunity where I can apply my knowledge in development studies and project management, contribute to organizational planning and decision-making, and continue developing professional and leadership skills within a dynamic organization.
