### PROFESSIONAL PROFILE

Detail-oriented and analytical AI Trainer with strong capability in evaluating, ranking, and improving AI-generated outputs through structured feedback, research validation, and logical reasoning. Experienced in identifying hallucinations, bias, factual inaccuracies, and unclear reasoning while strictly adhering to evaluation guidelines. Reliable, focused, and well-suited for human-in-the-loop AI training environments requiring consistency and precision.

### CORE AI & ANALYTICAL SKILLS

- AI Output Evaluation & Response Ranking
- Prompt Interpretation & Instruction Adherence
- Data Annotation & Content Labeling
- Logical Reasoning & Error Detection
- Bias & Hallucination Identification
- Research Analysis & Fact Verification
- Advanced Written English Comprehension
- AI Tools: ChatGPT, Gemini, Claude (LLM workflows)
- Online Research & Source Validation
- Google Docs, Sheets & Collaborative Tools
- Pattern Recognition & Decision Analysis (Forex)

### RELEVANT EXPERIENCE

- AI Content Reviewer & Online Writer (Remote | Project-Based)
- Evaluated AI-assisted content for clarity, accuracy, coherence, and intent

alignment.

- Identified logical inconsistencies, unsupported claims, bias, and hallucinations in generated responses.
- Conducted structured online research to verify information and strengthen output reliability.
- Provided rubric-aligned feedback to improve response quality and model performance.
- Teacher & Academic Facilitator
- Assessed written and analytical responses using objective evaluation criteria.
- Evaluated reasoning depth, factual accuracy, and clarity — directly transferable to AI output scoring.
- Delivered structured feedback to improve performance and comprehension.
- Research Assistant – University Projects
- Supported research through data collection, analysis, interpretation, and documentation.
- Critically reviewed methodologies and results for validity and consistency.
- Maintained high standards of accuracy, ethics, and documentation.
- Youth Secretary – Organizational Leadership
- Managed records, reports, and structured communication.
- Operated within policy-driven environments requiring confidentiality and precision.
- Demonstrated reliability, accountability, and attention to procedural detail.

#### WORK ETHIC & STRENGTHS

- High tolerance for repetitive, detail-intensive tasks
- Strong independent judgment with strict guideline adherence
- Consistent focus over extended work sessions
- Fast learner with continuous improvement mindset

- Fully remote-ready with flexible availability

## EDUCATION

Bachelor of Education (Science: Mathematics & Chemistry)

Masinde Muliro University of Science and Technology

(Ongoing — details available upon request)
