### B) KEY QUALIFICATIONS

---

Mr. Mwithia Cypriano is a practitioner of administration and Management for institutional preservation and development. For over 8 years he has developed and demonstrated key skills (Financial management, Human resource planning and management, including human labour sourcing and appraisals) required for sustainable skilled and non-skilled labour force in institutional progress. Besides working experience in a variety of settings with a cross-section of professionals for several years, Mr. Mwithia is also involved in teaching secondary school students, research, and advisory to various agencies.

Mr. Mwithia research interest includes the decentralization of education and how a devolved system of government affects educational service delivery. It is in light of this that his Master's dissertation is focused on how a well-devolved system of governance could positively influence efficient service delivery in education thus supporting the development of an education system that is beneficial for all students.

Mr. Mwithia is also a qualified Addiction counseling and treatment professional having done his studies at SAPTA College (Support for Addiction Prevention and Treatment in Africa). For over four years Mr. Mwithia has been working in a government-registered addiction treatment institution as an addiction therapist and Psycho-educator. Mr. Mwithia has helped establish two rehabilitation centers in Nakuru for the treatment of people living with addiction mental disorders.

Mr. Mwithia has a wide experience on dealing with philosophical and humanity issues having done a degree on philosophy and humanity in Arrupe College Harare, Zimbabwe and applied the knowledge in solving many issues concerning human progress. As such, he established a youth center in Dodoma Tanzania a center which helped create a platform for youth forums for discussing issues concerning their affairs. He also established campus ministry program in a college in Gulu, Uganda where students practiced values of services and care for those in great needs. Mr. Mwithia is also a clinical pastoral (CPE) practitioner having wide experience in caring for the sick in hospitals, rehabilitation clinics and at homes.
