WORK EXPERIENCE

* November 2014

Documentation at Vetcare Kenya Limited,

Serving in the documentation role at Vetcare Kenya Limited entails managing and organizing essential records and documents that support the business's operational needs. This position requires meticulous attention to detail, ensuring that all files are maintained accurately and are easily accessible. Regularly updating documentation practices to align with industry standards is a crucial part of the job, as well as training team members on proper documentation protocols.

Streamlined documentation processes, resulting in a 30% improvement in efficiency.
Implemented a new filing system that enhanced data retrieval speed.
Trained staff on best practices for documentation, reducing errors significantly.

* March 2013 – October 2014

Research at Concern Worldwide,

In the research position at Concern Worldwide, extensive work was undertaken to gather and analyse data that informs project development and implementation strategies. This role involved collaboration with various teams to ensure that research findings are integrated into actionable plans. Regularly presenting insights to stakeholders helped in shaping the organization's initiatives and policies.

Conducted comprehensive field research leading to two successful project proposals.

Developed research methodologies that improved data accuracy and reliability.

Presented findings to senior management, influencing strategic decisions.

* September 2007 – February 2013

Acrobatics (Artist) at Safari Park Hotel, Oman Muscat Festival, Mundial Fest,

As an acrobatics artist, performances were delivered at various prestigious events, showcasing exceptional skills in physical artistry and entertainment. This role required not only physical strength and agility but also the ability to engage and captivate an audience. Collaborating with other artists and choreographers was essential to create cohesive and dynamic performances that left a lasting impact.

Performed at high-profile events, receiving accolades for outstanding performances.

Collaborated with a diverse team of artists to develop innovative routines.

Contributed to the artistic direction of performances, enhancing overall audience experience.
