>>Church have to support us with refreshments and that is Tea and Bread.
- 2. VISIT TO KALOLENI- estimated 10people
>>Church have to provide fare to&fro(60/=)
That is $[10\text{people} \times 60\text{per person}]=[\text{ksh}600]$, and it's the first visit(15th February 2026)
2nd visit(16th August 2026)estimated 15people that is,
 $[15\text{people} \times 60\text{per person}]=[\text{ksh}900]$
So simple mathematics 😊
 $[900+600]=[\text{ksh}.1500]$ >>this is the amount Church should provide.
