Career objective

Dedicated and vigilant Security Officer with over 10 years of experience working in Qatar and Kenya. Skilled in maintaining safety, monitoring premises, and handling emergencies with professionalism. Seeking a position where I can apply my security expertise, strong observation skills, and commitment to protecting people and property while contributing to a safe and well-managed environment.

Work experience

SECURITY OFFICER QATAR SECURITY SERVICES, QATAR

2021 - 2025

- Maintained safety and security of premises, staff, and visitors over a 10-year period.
- Monitored CCTV systems, patrolled assigned areas, and conducted routine inspections to prevent theft, vandalism, or unauthorized access.
- Responded promptly to emergencies, alarms, and incidents, minimizing risks and ensuring safety.
- Managed access control, verifying identities of employees, visitors, and contractors.
- Prepared detailed daily, weekly, and incident reports for management review.
- Enforced company policies, rules, and regulations consistently and professionally.
- Assisted in the development and implementation of security procedures and protocols.
- Trained and mentored junior security staff, improving team performance and vigilance.
- Coordinated with local authorities during investigations, emergencies, or security breaches.
- Conducted safety audits and risk assessments to identify and mitigate potential hazards.
- Escorted VIPs and guests, ensuring their safety within the premises.
- Maintained inventory and proper handling of security equipment and tools.
- Provided guidance and assistance to staff and visitors regarding security procedures.
- Ensured compliance with health, safety, and emergency regulations at all times.
- Participated in regular drills and training to stay updated on security best practices

SECURITY SECUREX SECURITY SERVICES , KENYA

2014 - 2020

- Ensured the safety and security of bank staff, customers, and property through strict access control, CCTV monitoring, and regular patrols.
- Verified identification, managed visitor entry, and enforced bank security policies and procedures.
- Maintained high vigilance to detect and report suspicious activities, incidents, or security breaches promptly.
- Provided professional customer service by guiding clients, managing queues, and maintaining a calm and orderly banking environment.
- Responded effectively to emergencies including alarms, medical situations, and security threats while coordinating with supervisors and bank management.
- Prepared accurate incident reports, shift handover notes, and daily security logs in compliance with company and bank standards.
