A passionate and dedicated road transport manager graduate seeking a position where I can use my skills to improve the transportation industry that we and our goods may move swiftly and smoothly to their designated destination with people and their services and contribute positively to organizational goals.

## **Key Skills**

- Leadership in any set organization
- Counseling and conflict resolution- I've done counseling severally, majorly on young people undergoing through stress, anxiety and depression.
- Computer literate.
- Case Management and Client Support.

## **Education Background**

Diploma in Road Transport Management

The Eldoret National Polytechnic

2023-2026

Kenya Certificate of Secondary Education [KCSE]

Oriwo Boys High School

2019-2022

**Kenya Certificate of Primary of Education [KCPE]**

Josana Academy and Ruby Kraft Primary

2010-2018

### **Work Experience**

After high school, I was voted out of 500 plus and selected to come and work for the school in school canteen. In many years, there has been high discrepancy that couldn't be explained due to dishonesty of previous workers, when we enrolled to the work, we managed to raise Ksh1.5M within a term and it was a record set.

We managed to work for close to ten months because it was a contract.

Key things that made me join were **honesty** and **discipline**.
