### Work Experience

#### Plumber Pipe fitter

Mavens Plumbers Ltd, Nairobi, Kenya  
Oct 2016 - Present

My first job at Mavens plumbing company exposed me to the basics of both domestic and commercial plumbing, including installation of pipes, sanitary fixtures, drainage, site inspection and tendering. I was also able to enhance my technical drawing skills and was later promoted to became a project manager.

### Education

**Plumbing Pipe Fitter (National Skills Certificate IV) - Residential/Commercial work, Service & Repair plumbing**

2025

Don Bosco Boys Town Technical Institute, Kenya

### Profile Summary

God-fearing, self-motivated, reliable, exceptional, well-organized, resourceful and highly motivated with the ability to handle multiple projects and produce timely, and highly-quality work. Strong analytical and human relation skills, especially effective in helping customer and associations resolve issues and concerns.
