## PROFESSIONAL SUMMARY

As a highly motivated professional with over six years of active service in the Kenya Defence force, I bring strong leadership, operational discipline, and a proven ability to deliver results in fast-paced environments. I have successfully trained, supervised, and motivated teams while overseeing security operations, monitoring surveillance systems, conducting risk assessments, and ensuring compliance with safety standards. With a track record of managing assets, performing inspections, and maintaining operational efficiency, I offer transferable skills in leadership, problem-solving, attention to detail, and team management, qualities that align well with corporate requirements.
