EXPERIENCE

a) Chairperson Security Committee, Huduma Centre Lamu (2023 to Present)

Duties and Responsibilities

- Calling security meetings to order and managing the agenda.
- Facility assessment and recommending upgrade of any possible vulnerabilities such as technology, entry and exit points.
- Conducting security training and drills to the Huduma Center staffs
- Accessing security trainings and drills.
- Informing the Huduma Centre Manager of the emerging security gaps in the facility.
- Formulating the facility security policies, security procedure and ensuring that they are implemented.
- Preparing facility security budget.

Main achievements

- **Safety and Security Trainings:** Since July 2023 Huduma Centre Lamu held different safety and security trainings. Safety and security follow up trainings have been conducted in the field. Consequently serious incidents have been averted within the facility in the past two years.
- **Prevention of Serious Incidents:** No serious security incident involving Huduma Centre staff in the past two years. This is largely attributed to improved management of security and safety in the Huduma Centre Lamu facility.
- **Sops for the Private Guards:** liaised with Lamu Huduma Centre administration to develop specific Sops for their guards who provide protection to Lamu Huduma Centre, Kenya. This greatly improved their performance.
- Developed and operationalized staff health and safety handbook. This has provided important literature in managing staff health and safety issues.

b) From 29th April 2016 to Present – Investigations officer (graduate police constable), Directorate of Criminal Investigations.

Duties and Responsibilities

- Collect and provide criminal intelligence.
- Undertake investigations on serious crimes.
- Maintain law and order.
- Detect and prevent crimes.
- Apprehend offenders.
- Maintain criminal records.

c) From May 2013 to April 2016 - Security Guard, Security Group Africa- Nairobi.

Duties and Responsibility

- Conduct routine patrols along the perimeter walls.
- Monitoring CCTV.
- Handling security dog.
- Conduct access control.
- Maintain daily logs and incident reports.
- Crowd control during some public events.
