communication skills**

Working without supervision

A photograph of an industrial workshop or warehouse. In the foreground, two large, dark, curved pipes are visible, connected by a horizontal pipe. The pipes have blue and silver fittings. To the left, there are stacks of materials, including bags of cement labeled 'Cemipower' and '50Kg', and a blue bag with 'OAP 10-13' and 'ELCOOR' printed on it. In the background, there are large white storage tanks, some with red text, and various industrial equipment. Two people are visible in the background near the tanks. The floor is concrete, and the walls are made of corrugated metal. The lighting is bright, coming from overhead fixtures.

Splendid work

Experienced in
pressure pipes

A man with dark skin and short black hair stands in the center of a large, open grassy field. He is wearing a black long-sleeved shirt and dark blue athletic pants with white stripes down the sides. He holds a blue and black badminton racket in his right hand, with the head of the racket resting on the ground. To his right, a small white card lies on the grass. In the background, a large crowd of people is scattered across the field, some sitting and some standing. The field is bordered by a line of trees and a low wall in the distance. The sky is filled with large, white clouds.
