Personal Profile

Multi-task oriented, disciplined, flexible and dead-line oriented for overall benefit and growth of the agriculture by facing the challenges will show my caliber and gain some experience. Committed to use skills, capabilities, education and experience to serve diligently in a challenging but flexible environment causing total performance and add value to the organization goals as well as transform society at large.

Resourceful, responsible and responsive willing to work together with fellow employees and clients, share knowledge and learn from colleagues so as to build myself into an all rounded both dependent and independent individual in the agriculture world and to work hard with full determination and dedication to adhere organizational as well as personal gains.
