EXPERIENCE

Vans Studio, Embakasi

Photographer

2022/09/01 to 2022/12/14

- Before completing my diploma in Communication, I volunteered at the above business, where I helped to capture photos during events and also at the studio level. I also got an opportunity to learn photo editing skills where I was introduced to softwares like; Adobe Photoshop, which helped me to edit the pictures.

IPHRD-AFRICA, Kilimani

Communication officer

2023/02/01 to 2023/05/29

- I was privileged to work with the said organization for my Diploma internship, where I acquired skills like; Photography, Video and photo editing, videography, making brochures and posters, and also social media management.

Corporate Affairs, Daystar University

PR Consultant

2025/08/27 to 2025/12/19

- I worked as an intern at the above organization where I helped as a PR Consultant among other works such as; customer relations, videography, photography and also story writing on key events that used to take place. This opportunity enabled me to become a critical thinker hence improving my problem solving skills.
