# Dadius Kaba Chumari

Site supervisor with NCA accreditation and +5 years Experience

## Profile Summary

A dedicated and results driven construction professional with over 5 years of hands on experience in the building and construction industry. Accredited by the National Construction Authority (NCA) as both a Site Supervisor and Foreman, I possess strong expertise in project supervision, site management, and execution of construction works. Skilled in drawing and interpreting building plans and blueprints, ensuring precision and compliance with design specifications.

I am also highly competent in preparing accurate quotations for buildings, bridges, carpentry works, scaffolding, formworks, painting, finishes, roofing, floors, landscaping, and plumbing projects. Additionally, I have strong practical skills in formwork construction, painting, roofing, flooring, and carpentry, which enable me to manage both supervision and hands-on work efficiently.

Proficient in Microsoft Word, Excel, and general computer applications, I support effective documentation and reporting. Committed to delivering high-quality work within set timelines and budgets, with excellent leadership, teamwork, and problem-solving abilities
