RE: APPLICATION FOR HOUSEKEEPING / CLEANING

Dear Hiring Manager,

I am writing to apply for the housekeeping position at your organisation. I am a hardworking and reliable individual based in Migori, Kenya, with a strong interest in maintaining cleanliness and providing quality service. Although I do not have direct housekeeping experience, I have worked as a waitress at Kabal Restaurant from November 2024 to January 2025. Through this, I gained valuable skills in cleanliness, customer service, teamwork, and time management which are essential in housekeeping duties. I am quick to learn, disciplined and committed to maintaining high standards of hygiene and organisation.

I would appreciate the opportunity to contribute effectively to your team. Thank you for considering my application. I look forward to hearing from you.

Yours Faithfully,

STPROSE AWUOR
